FIND OUT WHAT'S PLANNED AT THE AIRPORT

Join us at the Parish Annual Assembly
Monday 8th April 7.30pm
Hurn Bridge Sports Club

The Parish Council is delighted to welcome, Mike Murray, Commercial Real Estate Director of the Rigby Group.

The Rigby Group took over the ownership of the Airport and business park in 2017 and he has agreed to come to our April meeting to give us an insight into what is happening, and what is planned for the business parks in the future.

The Airport and Business Park is one of the two largest employment sites in Dorset, and all of the recent roadworks around Hurn have been part of what is called the BIG (Bournemouth International Growth) Programme, to facilitate the Airport's future. After his presentation, you will have the opportunity to ask him questions.

We do hope that you will take this opportunity to join us for what will be a very interesting and informative evening.

Light refreshments available

BRAND NEW PLAY AREAS COMPLETED

The Parish Council is delighted with the new play areas in Moors Close which are now completed. Three play areas have been completely refurbished to an excellent high standard.

- Area One is a “natural play” area which some magnificent wood features and sculptures for children to enjoy.
- Area Two has four brand new, exciting pieces of play equipment including a huge slide, a massive see saw and two rotating spinner bowls.
- Area Three has been fully refurbished and retains the swings.

Extensive consultation was carried out with residents before any work was carried out. We are absolutely delighted with the result and hope that you are too.

Play Inspection Training – request for volunteers

The Parish Council is responsible for periodic inspection of the new play equipment throughout the year, with an annual inspection being carried out by a professional company.

We would like some help, so that the community can be involved from time to time, in helping us to check that the play equipment is all in good order.

We are offering free training of what to look out for on the play equipment to make sure it is OK and would be very pleased if some residents would volunteer to come along to be trained.

The training will be on Monday morning 25th March at 9am in Hurn Bridge Sports Club, and then a walk out on site to look at the equipment in Moors Close. Please contact Parish Council Chairman, Margaret Phipps if you are able to come along to the training.

We would like to thank all of those who have donated funding towards our lovely new play park – They are Christchurch Borough Council, The Airport Community Fund; and New Milton Sand and Ballast. The Landowners, Sovereign Housing are also letting us have a new long lease to secure the play areas in the Parish for the future.
