NEWS UPDATE

LAGOON – The Deputy Leader of BCP Council attended our October meeting to answer questions as to why the Council had awarded a £70,000 Bounce Back Grant to enable the Lagoon Company to submit a planning application for the Hurn quarry site. There was a good attendance from residents who, together with Parish Councillors quizzed him for around an hour. We believe he was left in no doubt that the huge majority of those residents present were most unhappy with the grant award which has facilitated a planning application. The Lagoon company will need to submit their application before the end of March 2022, or return the money. The Parish Council will keep residents informed with future updates.

HURN PARISH NEIGHBOURHOOD PLAN to 2031 – A Steering Group comprising residents and Parish councillors has been working for over a year to put together a draft Parish Plan. Our final Parish Plan when adopted will be a very important document. It will give us a robust tool setting out specific policies for Hurn, which together with the BCP Council Local Plan will be used to determine planning applications that may come forward. A residents' survey was carried out prior to Covid and a survey of businesses done earlier this year. Both asked questions about what they might like to see for Hurn in the next ten years. The Plan will reflect responses from those surveys, and it is proposed to carry out a consultation on the draft Plan in early 2022. This will involve opportunities for you to come to Hurn Bridge Club to meet Steering Group members, and view and discuss the draft Plan. We will value your feedback which you will also be able to do on line. We will let you have full details in the new year and hope that we will have good participation from Hurn residents.
