Cllr H Greenman declared an interest in the following applications and left the meeting.

<b>Application No.:</b>	8/21/1195/TTPO
<b>Location:</b>	7 Enterprise Way, Aviation Park West, BH23 6HG.
<b>Proposal:</b>	T1 - Silver birch -fell to just above ground level, T2 - Leaning Silver birch Section fell to just above ground level, T3 - Dead Silver birch (T3) - Section fell to just above ground level, T4 - Oak - Prune branches to provide a 2m separation from the building, T5 - Oak at rear of building -Remove a low limb above drive area

Councillors resolved **not to object** to this application subject to each tree felled being replaced with a native species tree.

**Application No.:** 8/21/1116/FUL  
**Location:** Parkfield School, Bournemouth Airport, Christchurch.  
**Proposal:** Use of the existing playing field by Parkfield School during the hours of 9:00am until 3:00pm, Monday to Friday. During term time only. Installation of new entrance gate to provide safe access from the School site in to the playing field.

Councillors resolved **to object** to this application. The application is factually incorrect as the land is currently not used as a playing field. The proposal is for a change of use. The road is privately owned by the Airport and is the access road to the Airport and employment sites and in usual circumstances is heavily used. Cllrs were very concerned for the safety of the children crossing the road. The gate into the field is not shown on the plan.

The meeting closed at 8.58 pm.
